Tent Builders

A Training Course Implementing the Vision of Tent of David

Become a Tent Builder

Let's Rebuild the Tent

Tent Builders is a training course offering practical advice, encouragement and situational guidance to help you become an agent of change and transformation. Learn proven techniques to implement the majestic vision for the reformation of Christianity. Learn how you can change the church, one person at a time, through kindness and good deeds, and be a powerful, active witness.

You have an incredible opportunity to make a difference—to transform your world for the good of Israel and for the sake of Christianity. You have been given a great gift: the gift of understanding Yeshua in his Jewish context, of seeing the greatness of the Torah, a love for Israel, for the Jewish people, and a renewed zeal for the Gospel. With this gift comes the responsibility of sharing it with others.

You Can Do Something Great!

"The Tent of David" is a reference to the Davidic kingdom, which Amos envisions will encompass Gentiles who attach themselves to Israel and to Israel's Messiah. James reckoned that the believing Gentiles of his day were the first fruits of the fulfillment of Amos' prophecy.

The concept of the Tent of David, central as it is to the identity of the church and the Messianic Gentile, is seriously underappreciated. It is our lost vision. Restore with us the Apostles' dream of a unified expression of Jews and Gentiles worshiping the God of Abraham together and serve him in the redemption of the world.
